Reports that the period for which certain Pro. Art. Courses were ordered to undergo training in the Engineering Section of the Chamarajendra Technical Institute expires on the 15th April 1917 and requests orders regarding the continuance of the special class and that if the class is to be continued necessary provision will have to be made in the next years budget.

1. This question has separately been considered already and the connected File (has been Subtd to the Dewan) with a draft letter to the Chief Engineer requesting him to make arrangements for the training of the next batch in Engineering from the 15th inst. next. S

2. The Engineering classes will however have to continue from the 16th April 1916 in order that Mr. Rudrappa who had a break in his course may complete it. Orders in this matter have issued separately.

3. Regarding the expenditure debited on this account during the current year it has been stated that the source from which it should be met would be pointed out later on.

4. As the class has to be continued provision will have to be made in the next years budget to cover expenditure for 4½ months (six months) as the course of training for the second batch begins from the 15th inst. May 17.
